Please issue a certificate of correction for the above-identified patent. A single correction, set forth below, is being asked for:

In the first line of patent claim 20, change "14" to -19--.

Patent claim 19 corresponds to application claim 38 as set forth in the amendment dated 23 October 2000, and patent claim 20 corresponds to original application claim 6.

In the 23 October 2000 amendment, applicant asked that claim 6 be amended to depend from claim 38 (line 9, page 2). Accordingly, it is respectfully submitted that the patent should have identified claim 20 as depending from claim 19 rather than claim 14.

It is believed that the error is not patentee's fault and that, consequently,

no fee is owed (37 CFR §1.322)

Signed at Seattle, Washington this 10th day of December 2001.

Respectfully Submitted,

SIMS, INC.
